1. I have forgiven you; I have given you.
I have forgiven you your all and I have given you My all.
How's that for exchange, Ted?
How's that for an exchange, My lover, My friend?
How is that for an exchange, My reader, hearer, listener, with My heart that is in your chest? Yea, beating, pumping My blood, if you will. I love you.
I give you Me and I give you all of Me.
2. You have all of Me now; yes, what are you going to do with Me?
What are you going to do with all I have given you?
What are you going to do with all I have forgiven you; yea, that now exists no more? Yea, upon Me, in Me, I took them upon My shoulders, I took them within My chest and, yea, I deleted, I destroyed them. Yea, the sins of My forthcoming no more.
3. I love you; I give you Me; random variables none; all with great specificity with specific gravities known and determined by Me beforehand, before time, before the foundation of the earth, the world.
4. I give you Me and how birds tweet and the sun shines, how voice travels and affects My heart. I give you insight into emotion, Me, for you have asked so often the how and why of emotion and why the fullness, why the pain, the joys and sorrows seemingly sometimes in reality you can do nothing about.
5. I am Me and I give you all. I give you all of Me and I give you all there is. I give you all of Me there is: within/without, up and down, from side to side, through and through, piercing, penetrating that which is never asunder been. I give you insight or I give you sight to see.
6. Sight, I give you sight, the ability to see crystal clear vision and yet, yea, behold far more piercingly and to the inner structure, the inner structures of Me, My molecular makeup, substructures, foundational, structure and substructures underneath the substructure.
7. I give you Me; I give you all of Me and insight for building now My structures, My infrastructure complete; yea, in My temples not made with hands coming forth, building temples in truth, temples, temples that house My authority, My power, My very being in unlimited form and fashion, means and manners of only Me. Not lifting My head above Me.
8. I love you, I give you Me, all of Me: Psalm 110 crystal clear, and all of Me comes true for truth it is, I am. Truth I am and I am truth.

9. My water reigns, My blood reigns and conquers all. Water of My word cleansing, cleaning, clearing the path of utter destruction, in utter destruction sometimes. Yea, tearing down, tearing down and uprooting to build the path of righteousness; yea, **the path of vision is vision which sees and sees clearly into Me;** My molehills not, My mountains and ranges, sub and inner substructures, foundations. Yea infrastructures complete, building now and replete-ing My superstructures.

10. Yea, in 2005 begins behold Me, what I have said, see what I have said; behold what I have said; become what I have said for you are now more and forevermore Mine, all Mine and no one else's and no one else will have you for you are Mine: blood bought, blood cleansed; yea, us hugging, holding hands at the altar exchanging vows, vows exchanged, declared and the Mighty Many come forth and the vows exchanged: My heart for your heart, your heart for My heart. All thinking changes, all revelation revealed, nothing withheld, My body yours, your body Mine. The mind of Christ, yea, in you which was revealed now in fullness repleting those who vows will make with Me. Yea, with only Me. And, yea, no man need hearing.

11. I love you; I give you this day; I give you Me. My Sonshine, the Sonshine of My Son; My Father beholding Me, one, all together one with you, with us. Yea, My trinity, our trinity, our capital T Trinity; and yea, you marching forth in such love, power, and authority now, capital T-ing the Trinities that you make and reveal, reveal to those who are Me, who are of Me that they are Me and one with Me and My Father are: Trinity of Trinities all, individually, individual uniqueness of only Me, one, one with each one in wholeness, fullness, joy, laughter. And, yea, sorrow none, sorrow rarely. The fullness bringing the spirit, the power, the revelation of entrepreneuriality required with only Me.

12. Be not afraid of what Man may sow, see, or do. Yea, for all reaction is within Me and, yea, My actions come forth now from My heart that is within you into your heart that is within Me because **we live in each other and have and move and breathe, our being all together one**.

13. See all I have said, given, this day and behold the Sonshine and rain I do on the just and the unjust, but My just shall behold Me in faith and light; sorrow none, sorrow little, yea, men and women, boys and girls of many sorrows acquainted with grief; but, yea, not as the world beholds that word.

14. Into Me see and continue to grapple not but grasp securely that which is of only Me and very clear this day: your mission ahead of you, laid out on the table for all to see in maps, map making, with strategy, strategic intent, action plans, developing My developers; mapping My mappers to map makers map. Again I say unto you, behold Me and all I have said and saying and resaying retelling and foreshadowing none; I give you Me.

15. I give you Me and all of that I have said comes forth with alacrity, yea, in My term, My definition, My messengers already sent. Behold Me, the lamb that was slain before the foundation of the world, the earth; yea, is replete in Me/you this day. I love you.

16. My meeting enjoy and tell My Jim I love him and I am coming to him soon in glory he knows nothing of yet but will masterfully receiving as a little child My all, all together lovely of, yea, every nation, tribe and tongue; Me taking him to them and them to him, you.

17. We work, the light is day, the night is soon, the colors are hued, I give you Me. Easter resurrection in every part of your life now, now, forevermore, is and today.

18. Behold, in the twinkling of an eye all is, all changes and beholders of Me behold and welcome the power of riotous living not; but, yea, understand and walk in the fullness of both solitude and power in only Me, with only Me. Yea, globalizing each one; taking them into worlds unknown, unknown by them but waiting, ready and waiting. Into My arms they come lining up, lining, awaiting My ignition, the flame of fire that I am; now alighting on My all, those receiving Me, yea, in fullness as a little child, restricting Me not and learning in Me forever. I thank you.

19. I love you.
I bless you.
I kiss you.
I stroke your hair, now Mine.
Good day
